

## WELCOME MESSAGE FROM THE PRESIDENT

Dear Students:

On behalf of the faculty and staff, I am pleased to welcome you to the American University of Health Sciences (AUHS).

Whether you are visiting AUHS for the first time as a prospective student or checking in on us as one of our active students or alumni, I trust you will find in these pages the information that reflects our deep commitment to academic success.

For more than 30 years, AUHS has been transforming the lives of our students and the communities we serve by providing a high-quality, relevant education in the health sciences.

AUHS is committed to serving students of diverse backgrounds and preparing them to make a positive impact on society through the provision of exceptional quality patient-centered care. This is accomplished through the creation of a strong and caring academic environment where excellence, diversity, and the development of the entire person—mind, body, and spirit—is addressed and where teaching/learning, research, service, and scholarship are valued and supported. AUHS students are encouraged to make powerful, life-long connections as they engage in their communities and with a diverse population of students.

I look forward to meeting you! It is an honor to welcome you to AUHS, and I wish you a very enriching scholastic experience.

Sincerely,

*Caroll Ryan*
